

# STORMONT VAIL HOSPITAL

Hospital · TOPEKA, KS · CCN 170086 · Generated 2026-05-28

**Florence Workforce Restoration Economics v2 — FICA-Offset Target Pricing.**  
At 50% FICA offset target on an F-1 cohort 24-month term, Florence delivers **\$199.3M** in hospital net savings against **\$29.5M** in Florence fees — a **6.8× return** for the customer.

## The five primary buyer-facing numbers (median per quotable hospital)

| ① Florence Fee / RN              | ② FICA Savings                   | ③ Effective Cost                  | ④ Actual Offset %          | ⑤ Net Mo Savings / RN                 |
|----------------------------------|----------------------------------|-----------------------------------|----------------------------|---------------------------------------|
| <b>\$869</b><br>per RN per month | <b>\$434</b><br>per RN per month | <b>\$434</b><br>fee – FICA offset | <b>50.0%</b><br>target 50% | <b>\$5,875</b><br>agency + FICA – fee |

## Aggregate financial picture — what each party gets

| HOSPITAL PAYS FLORENCE                  | HOSPITAL FICA OFFSET                         | AGENCY PREMIUM AVOIDED                              | HOSPITAL NET SAVINGS                     |
|-----------------------------------------|----------------------------------------------|-----------------------------------------------------|------------------------------------------|
| <b>\$1.2M / mo</b><br>\$29.5M over 24mo | <b>\$614K / mo</b><br>visible on payroll tax | <b>\$8.9M / mo</b><br>contracted-labor displacement | <b>\$8.3M / mo</b><br>\$199.3M over 24mo |

## Scope

|                                 |                              |
|---------------------------------|------------------------------|
| Hospitals in scope              | 1                            |
| Quotable at current calibration | 1                            |
| Total Covered RN Need (FTE)     | 1,414                        |
| States covered                  | 1 (KS)                       |
| Cohort visa-exempt share (η)    | 1.00 (F-1, IRC §3121(b)(19)) |
| FICA-eligible months / nurse    | 24                           |
| Contract term                   | 24 months                    |

# Per-hospital detail — top 1 by Florence revenue

Each hospital priced at its local labor economics. Sorted by total monthly Florence billings.

| Hospital                             | RN Need | Fee/RN/mo | FICA/RN/mo | Offset % | Net Sav/RN/mo | Total Mo Fee |
|--------------------------------------|---------|-----------|------------|----------|---------------|--------------|
| STORMONT VAIL HOSPITAL<br>TOPEKA, KS | 1,414   | \$869     | \$434      | 50%      | \$5,875       | \$1.23M      |

## Methodology

Florence Workforce Restoration Economics v2 (May 28, 2026). **Florence Monthly Fee per RN** = Suggested Fee, clamped to floor/ceiling, where **Suggested Fee = Employer FICA Savings ÷ 50% target**. Employer FICA savings calculated under IRC §3121(b)(19) for F-1 nonresident-alien RNs during their nonresident-alien tax period. Guardrails:  $\$750 \leq \text{fee} \leq \$2,000$ .

## Data sources

Hospital roster: CMS Hospital General Information. Per-hospital salaries, FTE, contract labor: CMS HCRIS Hospital Provider Cost Report 2023. RN wage benchmarks: BLS OEWS state-level. Agency rate benchmarks: hybrid (customer-disclosed where available, CommonSpirit anchor, state median).

**Required compliance statement:** Estimated employer-side FICA offset shown for eligible nurse cohorts only. Eligibility must be validated by payroll, tax counsel, and immigration counsel. Employee-side FICA benefit is shown separately as a nurse take-home benefit and is not included in employer ROI unless presented as combined economic value.
