Methodology

Florence Workforce Restoration Economics v2 (May 28, 2026). **Florence Monthly Fee per RN** = Suggested Fee, clamped to floor/ceiling, where **Suggested Fee = Employer FICA Savings ÷ 50% target**. Employer FICA savings calculated under IRC §3121(b)(19) for F-1 nonresident-alien RNs during their nonresident-alien tax period. Guardrails: $\$750 \leq \text{fee} \leq \$2,000$.
